EVERGREEN: Partnership "one of a kind" in Ontario

MARYANNE FIRTH Staff Photo

The Niagara Evergreen Consortium — comprising Pelham, Lincoln, Niagara-on-the-Lake and Fort Erie public libraries and the Niagara College library — will be launching the Evergreen open-source library system to benefit the facilities and library users. Pictured from left are Pelham library chief executive officer Stephanie Stowe, technical services manager Jo-Anne Teeuwssen and Lincoln Public Library CEO Jill Nicholson.

Pelham library to issue late notices by e-mail

MARYANNE FIRTH
Tribune Staff

PELHAM — Pelham Public Library is going green — Evergreen,

that is. As part of the new Niagara Evergreen Consortium, the Pelham facility has partnered with three other public libraries — those in Lincoln,

Fort Erie and Niagara-on-the-Lake — and the Niagara College library, to launch the new Evergreen open-source system. The libraries involved were all

running the same system, and in turn running into the same problem.

see LIBRARY | A2

upfront

LIBRARY

One-of-a-kind system

FROM PAGE A1

The system would soon be unsupported by the company that facilitates it, and a solution needed to be found.

While looking for alternative systems, the idea came about to form a local partnership to benefit both the libraries and their users, said technical services manager Jo-Anne Teeuwssen.

While assessing one another in the transition to the new system, the libraries have also been consulting one another about what works and what doesn't work technically at each facility, she said.

The unique partnership, which was developed over a three-year period, is "one of a kind in Ontario," said library chief executive officer Stephanie Stowe.

Pelham will go live with the system Oct. 12, while the other libraries will start between August and November.

The information technology department at Niagara College has volunteered to house the library servers for the entire consortium.

The new system will offer features and services the old system could not accommodate, Teeuwssen said.

For instance, library visitors will now have the option to add themselves to an e-mail list that will send a

notification when a book is overdue.

The library mails out an average of 25 overdue notifications every week, said Stowe.

Having the option to receive notifications electronically will help reduce paper usage and save money on postage paid.

To be placed on the online notification list, e-mail adming@pelhamlibrary.on.ca, call 905-892-6443 or sign up in person by visiting the library at 43 Pelham Town Sq.

The library's online catalogue search will "look and feel" similar, Teeuwssen said, but will have advanced search options to assist people in finding exactly what they're looking for.

Placing a book request will also be easier, she added.

With the current system, when a request is made it has to be done for a specific book, such as the hard cover of a specific title.

The new system will allow users to put a request in for the title in any available form of the book.

"There's more flexibility in a lot of ways," Stowe said. In mid-September, the library will begin promoting the new system and its uses through a variety of promotional tools on site.

TRILLIUM AWARDS: Prizes in nine categories

Competitors make Pelham prettier

WAYNE CAMPBELL Staff Photo

The home of Jack and Pauline Swan at 2 Shaldan Lane in Fonthill won first place in the small residential category in the Community in Bloom Trillium Awards announced this week. Below, students and staff of Maple Crest Early School at the side of 1419 Pelham St. created this educational garden, judged first in the schools, churches and institutions category.

WAYNE CAMPBELL
PelhamNEWS Staff

For Jack and Pauline Swan first time was a charm.

They won Communities in Bloom Trillium Award for a small residential property when they entered their home at 2 Shaldan Lane in Fonthill. Pauline Swan said they were surprised and pleased.

"It's just a hobby for us," she said. "My husband does the work while I make the suggestions."

The property, just off Pelham St., was suggested for the annual Communities in Bloom garden tour in July. However, the couple could not do it this year. Instead they entered the Trillium Award competition.

The property presents a challenge, said Swan. The backyard is shaded while the front gets lots of sun.

They mix and match shade tolerant plants with those that thrive in the sun.

"We don't follow any plan. We pick what we like and move it around, that is, my husband moves it around," she said.

"When you're a gardener nothing is ever quite right."

The Communities in Bloom committee announced the winners of the annual competition this week.

Welland Tribune, and Jamie Douglas from the Communities in Bloom Committee selected from more than 40 entries in nine categories.

The winners will receive prizes on Oct. 4 at the Communities in Bloom Appreciation Night held at the Pelham Library.

Co-ordinator Betty Brown said the number of entries were down this year to 40 from 80 for the annual competition that began in 2001.

While she said she is not sure of the reason, the committee will review its promotion for next year.

The weather may have had some effect, she said.

"People said they were worried about judges coming when their grass looked terrible," she said.

"It's not about green grass, it's about the overall look from the street."

Eleven of the 40 entries were in the small residential category, she said.

They're the hobby gardeners who work on their own properties for the joy of the experience, she said. Other categories cover professionally landscaped sites.

Barkovich said judging the properties "was tiring" because of the entries did their gardens proud."

Wayne Campbell
EDITOR

Freezing our one resource

A hot, hazy summer day is a good time to sit back and ponder little oddities.

For example, reporters and editors receive news releases telling them that so-and-so "fully supports" such-and-such.

Does anyone send out a release half supporting anything?

We receive notices about awareness days, months and years to draw awareness to conditions, situations, attitudes or diseases.

They are so common, they often overlap. Because of its wide use, I assume such public relations exercises are effective. However, especially in the middle of summer, I would like to receive a news release promoting an "unawareness month" during which we are expected to relax and not worry about anything. Maybe a group half supporting mental health or stress reduction should consider an unawareness month.

Our provincial and regional governments have hit on wage freezes for public servants as a way to cut the deficits created by stimulus spending. While it's typical solution, everyone who isn't a public servant thinks they're overpaid. However, our local politicians may be unaware of something.

In Niagara, good paying private sector jobs have literally gone south: John Deere to Mexico and auto parts to southern American states. Most local high-paid employees work for municipalities, provincial ministries, the federal government, hospitals, schools, colleges and universities. That is, they make up an economic resource politicians want to freeze. The triple effect of a public sector wage freeze means reducing customers for restaurants, hair salons, retail stores, car dealerships, furniture stores, theatres, real estate and other private sector jobs.

In no time, we'll have private sector lobbyists working on governments for another stimulation package. It's funny what you become aware of during an hour of unawareness in the backyard.

Playgrounds better than Freezies

So, do you think our nine new, fully-accessible playgrounds are better than freezies?

Let me explain.

You see, we enjoyed a special visit from Dean Allison, MP Niagara West Glanbrook, and Minister Jim Bradley, MPP St. Catharines, on July 30. Mr. Allison and Minister Bradley joined me, members of town council, and others to celebrate the extraordinary federal and provincial investments in Pelham.

All the infrastructure projects total \$12.6 million, plus \$1 million to buy utilities in Downtown Fonthill. The projects include Pelham Street reconstruction (\$2.5 million plus \$1 million to buying utilities); Halst Street reconstruction (\$5.7 million); replacing Fire Station No. 2 (\$2.9 million); playground replacements (\$1.1 million); and town hall expansion (\$380,000).

Dave Augustyn
MAYORAL VIEW

These investments are nearly triple the town's normal annual capital budget. And, while other cities and towns have received millions of dollars during the decades, Pelham was always "shut-out" until now, that is, Pelham now leads since these investments represent the second highest per capita funding in Niagara.

How did we achieve this? Council, staff and the community worked together to ensure we were prepared for the stimulus funding. Staff and I worked with MPs and MPPs. Staff worked with ministry staff to review and emulate other successful projects and used a team approach to develop our applications.

I invited you and others to

get involved and write letters of support. (Thanks to the many that did).

Working together, we achieved investments now that will change years of wait into months of action.

But, what about the town-wide playground renewal? The nine playgrounds include Harold Black, Centennial, Cherry Ridge, Hurlestone, North Pelham, Marlene Stewart Street, Pelham Corners, and Rolling Meadows.

Coloured brightly and fitted with artificial turf to prevent injury and allow wheelchair, walker, stroller access, we tailored each playground to its area.

For example, Marlene Stewart Street's brown and green match the trees and leaves surrounding "the pit." Centennial Park's yellow and purple match the colours of the Fenwick Lions Club (who donated the park to the Town in 1967).

see MAYOR | A5

Local market mirrors national trends

Across Canada July month end results reflected the third month in a row that monthly unit sales were below 2009 levels.

The weaker than anticipated sales activity recently prompted the Canadian Real Estate Association (CREA) to lower its national home sales forecast.

Cathy
Berkhout-Bosse
REAL ESTATE VIEW

Sales activity in our local marketplace followed this same national pattern. In Pelham, May, June, and July totals declined 29%, 20% and 18% respectively and in Welland the monthly comparison figures were down 9% in May, 24% in June and 28% in July.

Year to date sales continue to be ahead of last year. Welland's year-to-date total of 460 units remains 4.5% ahead of the 441 reported at this point last year and Pelham current year-to-date total of 130 units is 4.8% above the July 2009 figure of 124 sales.

According to industry analysts the current demand continues to be the number of purchases that had been deferred during the economic recession is now exhausted.

From personal observation, it is not surprising that we are experiencing a sales lull given that many buyers pushed forward the timing of their purchases into early 2010 in order to avoid the increased costs associated with the implementation of the Harmonized Sales Tax.

As the slower sales trend continues through the summer months, it is likely that our local year to date sales figures will be below 2009 levels by the end of the third quarter of this year.

The revised Canadian Real Estate Association projections are as follows: 2010 will end with an annual decline of 1.2 per cent and weaker economic growth and consumer spending next year will contribute to a decline in national sales activity of 7.3 per cent in 2011.

SEEKING INPUT

The Pelham Active Transportation Committee will look for your input at the Pelham Farmers Market next Thursday. It wants to hold a Street Open event in the spring and fall of 2011 where streets will be open for pedestrians and cyclists.

The committee, which promotes walking, cycling and other similar activities, addressed numerous issues during 2009-2010 including a submission to town council of the Top 10 List identified by Pelham's residents.

The list is on the town's website at www.pelham.ca.

Pelham Farmers Market operates each Thursday evening from 4:30 p.m. to dusk in the municipal parking lot beside the town hall in Fonthill.

Pelham one of few communities boasting accessible playgrounds

FROM PAGE A4

Pelham now stands at the only Niagara community (perhaps the only in Ontario) with fully accessible playgrounds. The equipment includes climbers, platforms, swings, and slides for kids and exercise equipment for parents.

So, what do some kids think about their new playground?
At the ribbon cutting on July 30, we offered Freetees to neighbourhood children. Despite the warm afternoon, they didn't want any.

Why?
Because they didn't want to stop playing on the equipment! I hope all the new equipment will enrich the lives of Pelham residents for many years to come.

You may contact Mayor Dave Augustyn at mayordave@pelham.ca or read past columns at www.pelhammayordave.blogspot.com.

■ REAL ESTATE

Silver lining in the market

FROM PAGE A4

There is definitely one silver lining in the current market situation. Average selling prices have risen significantly.

The Welland 12 month average selling price of \$178, 279 is 4.3 % above last year's level and the Pelham 12 month average of \$327, 659 is 9% higher than the July 2009 figure of \$300,854.

Expect the pace of these

increases to slow down as market supply begins to adjust to lower demand. Inventory levels are already beginning to expand and average selling times are lengthening.

All in all, very predictable real estate market dynamics.

Cathy Berkhout-Basse, H.B.A., is a real estate broker and writer living in Pelham. You may read past columns at www.nagararealtysource.com

LIFETIME VISION CENTRE is under renovations. We have NOW moved to our temporary location on 10 Hwy#20 E, Unit 1 (beside the old Tim Horton's building) for the Summer. We look forward to seeing you there!

We apologize for any inconvenience.

■ PELHAM CARES: Families require lunch basics

Back-to-school necessities needed

MARYANNE FIRTH
Tribune Staff

PELHAM — As September nears, the need for back-to-school basics for local youth grows.

While donations of food bank staples such as peanut butter or Kraft Dinner are always appreciated, this time of year Pelham Cares turns its focus in a different direction.

Juice boxes, fruit snacks and fruit cups are among items needed to fill the lunch pails of local children returning to school, said client

services co-ordinator Betty Brown.

Donations of canned meat, such as ham or flakes of turkey/chicken, are also needed, as well as small sandwich bags to make lunches complete.

Gail Hilyer, president of the Pelham Cares board of directors, asked residents to think about what they pack in their own children, or grandchildren's lunches when they make a donation.

Monetary donations or vouchers from local stores for school supplies are appreciated and needed during this

time of year she said.

"With vouchers they can buy everything from basic shoes and pencils to running shoes, anything a child needs to go back to school."

While school-aged children are on the mind of many around September, Brown said there are also families in need with babies.

Items such as diapers and baby wipes are always needed at the agency, she added.

Toiletry items, such as toothpaste, toilet paper and shampoo, are also on the Pelham Cares most-needed list.

Brown said residents don't have to go out of their way to make a donation.

There's a bin set up at the front of the Fonthill Sobeyes that goes directly to the agency, which allows shoppers to pick up an extra item or two and donate it right on site, she said.

Meanwhile, Kiager's Meats at 1507 Pelham St. has arranged a donation system of \$2 and \$5 between Aug. 16 and Oct. 2.

to help Pelham Cares purchase hams and turkeys for Pelham families in need this Thanksgiving.

Donations can for Pelham Cares programs be made at the Pelham Cares office at 2 Pelham Town Sq.

mfrith@wellandtribune.ca

Staff photo
Pelham Cares client services co-ordinator Betty Brown holds some of the many items needed by the agency at this time of year. Food for school lunches, baby products and toiletry items top the list.

■ **COUNCIL:** Special meeting called to approve work

Fonthill and Fenwick fire halls move forward

WAYNE CAMPBELL
Pelham News Staff

PELHAM — Town council cleared the road for two major projects at a special meeting Monday.

It accepted tenders for the reconstruction of Pelham St. in downtown Fonthill and for construction of a new Fenwick fire station.

Brennan Paving Ltd. of Port Colborne with a \$2.54 million tender had the lowest of four bids for the Pelham St. project.

Town council retained Aecom, the project design consultant, for \$105,055 to oversee administration and inspection details of the project.

On a question from Ward 2 Councillor, Dave Emmons about a 4.1% rate charged by Aecom, community and Infrastructure services director Kelly Walsh said it was bargain usually the rate is 12 to 13%.

The Pelham St. reconstruction project between College and Board streets will include: replacement of 300 metres of watermain; construction of 640 metres of storm sewers; construction of 1,400 metres of new sidewalks; reconstruction of 640 metres; and implementation of downtown beautification items.

Town staff will meet with Pelham St. merchants to outline specific timing of the work in downtown Fonthill.

The construction contract for the new Pelham Fire Station No. 2 went to a local company, Bromac Construction and Engineering Ltd with the lowest of 11 bids.

Council accepted its \$2.4 million bid, which was just \$2,800 less than the next bid.

Ward 3 Councillor, John Durley asked about a "voluntary alternative" section in the tender which resulted in an adjustment to the roof design that saved \$60,000.

"Will this result in higher maintenance?" he asked fire chief Scott McLeod.

McLeod said they were essentially the same steel roof with a simpler presentation or texture.

Town council also approved a rezoning of the

764 and 766 Welland Rd. site for the new fire station. It included a land swap with former owners Paul Gilchrist and Jennifer Wacey.

Ward 1 Councillor, Debbie Urbanowicz said she breathed a sigh of relief when council finally passed the rezoning and accepted the tender.

As chair of the fire hall reconstruction committee she spend more than a year

working with volunteer firefighters designing the new firehall, then searching for an appropriate site, and finally working through the re-zoning process.

The new site is just down Welland Rd. from the current fire hall at Welland Rd. and Canboro. That fire station is more than 50 years old and overdue for replacement.

"It has finally come to

fruition," she said after the special meeting praising the work of firefighters, staff and committee members.

"I'm extremely excited to get on with this," she said.

Both the fire station and the Fonthill reconstruction are projects financed one-third each by the federal and provincial government infrastructure stimulation funds and Pelham taxpayers.

Mayor Dave Augustyn

said "it was great to see both projects proceeding."

The Pelham St. work, he said, has years of work behind it by groups such as the Pelham downtown beautification committee.

Pelham St. work is to start at the end of August said Walsh in response to a question from Ward 3 Councillor, Peter Papp.

The firehall will begin soon. Both projects are both

It has finally come to fruition. I'm extremely excited to get on with this."

Debbie Urbanowicz
Ward 1 councillor

expected to be complete by March 2011.

wcampbell@wellandtribune.ca

IT'S A NATURAL, IT'S TOXIN FREE, IT'S MYO-MED THE PAIN CREAM THAT CANADA'S SINGING UP FOR!

"MYO-MED" is going to ease a lot of PAIN"

DR. W. GIFFORD-JONES, MD

Dispensing common sense medical advice to Canadians for over 30 years

"Where can I get another tube of MYO-MED?" a tennis friend asked me. I'd given him a sample of this cream when his arthritic knee kept him from playing tennis for several months. How he was back in the game. So how does this new all-natural, toxin-free analgesic help painful joints? And why is it safer than other over-the-counter painkillers cream? Today, 21 < million North Americans suffer daily the agony of arthritis. Others see their quality of life diminished by sports injuries, backache, sore muscles and the ravages of aging joints.

Customary treatment has been the use of nonsteroidal anti-inflammatory drugs. Unfortunately, too many people take these over-the-counter medications thinking they're safe as Aspirin and Tylenol. But every year 25,000 North Americans die from gastrointestinal complications due to the self-prescribed use of NSAIDs. It's a huge price to pay for pain relief. MYO-MED eliminates the problem.

To my knowledge, no side effects have been reported by using this natural cream. But how is MYO-MED different from other over-the-counter painkillers? Remember this, due to increasing drug complications, it's important to know what a medication does not contain. Today there are 300 different topical analgesics available in North

America. But 90 percent of these painkillers contain methyl salicylate. Excessive use of this substance over a period of time has been associated with serious health problems and in rare cases can be fatal. MYO-MED does not contain methyl salicylate and is the only all natural and toxin-free cream available. MYO-MED consists of a combination of six anti-inflammatory ingredients proven to be effective in relieving a variety of painful conditions such as arthritis, bursitis, tendonitis and carpal tunnel syndrome. One of the main ingredients is cetyl fatty acids. These are naturally occurring compounds that help to reduce inflammation, pain and increase mobility. Another ingredient, Borynia Alba, is a vine-like plant native to the woods of Europe. It's particularly effective for the pain associated with motion. It's also helpful in the treatment of neck, back pain and those suffering from fibromyalgia. MYO-MED also has what's called a "Nano Delivery System." It's a process that quickly carries these six anti-inflammatory ingredients deep into affected muscles and joints where they're needed, providing relief in 15 minutes.

But how good is MYO-MED in easing pain? Researchers at the University of Connecticut carried out double-blind studies to test its effectiveness. One group of patients, suffering from osteoarthritis of the knees, was treated with MYO-MED. A similar group received a placebo cream. But neither doctors nor patients were told which cream was the real McCoy.

Thirty minutes after applying the cream, patients were tested to see how their disability was affected. How far could they flex a knee before it became painful? How well could they get up from a chair? How much time did it take to go up and down 11 steps? And how good was their balance? Patients were then advised to apply their creams twice a day for 30 days. Both groups of patients were also provided with nutritional guidance to ensure neither group gained weight during the trial period.

Researchers found that patients using MYO-MED noticed better function after 30 minutes. Further improvement occurred over ensuing 30 days. Patients could flex their knees better; needed less time to navigate stairs and rise from a chair. They also showed improved balance, strength and physical endurance.

MYO-MED combats another vital problem. It's logical that if a knee joint hurts, there's a strong tendency not to move. But shops delivering bananas if you fail to do so, don't last long. And people suffering from painful joints slowly but surely lose muscle mass if they become less active. This can have a major effect on their way of life. Several professional athletes who have access to the best treatments available say that MYO-MED keeps them on the playing field. It has also kept me at the trip shooting range as the gun's recoil often leaves me with a painful shoulder. And my tennis friend couldn't be happier. I'll surprise him with another tube at Christmas.

"I recommend it to my patients that suffer from arthritis."

• Clinically proven and safe for daily use • Arthritis, tendonitis, muscle strain, back pain • Penetrates deep through the dermal layer, attacks inflammation and speeds healing

■ FUNDRAISER: Heart and stroke fundraiser

Cyclists to pedal their hearts out in Niagara

For Pelham News

Centennial Park in Fenwick will serve as a rest stop for this Sunday's Pedal 100 for Heart & Stroke.

It is an unusual cycling

event that embodies personal challenge with fundraising to support heart disease and stroke research, advocacy and health promotion for the Niagara office of the Heart and Stroke Foundation of

Ontario.

The Sunday ride from 8:30 a.m. to 5 p.m. starts and ends at Alumni House, Henley Island, Port Dalhousie. All cyclists will depart and return to the Alumni House. Route

start times are: 160 kilometres at 8:30 a.m., 160 km 9 a.m., 30 and 60 km: 11:30 a.m.

The three rest stops are: Maple Manufacturing at 6275 Spring Creek Rd in Smithville (60-160 km, open 8:30 a.m. - 1 p.m.); Abingdon Rd. and Silver St. (covers 160km, open 10 a.m. - 2 p.m.);

and Centennial Park in Fenwick (covers 100-160km, open 10:30 a.m. - 3 p.m.)

Participants will set out on routes of 30, 60, 100 or 160 kilometres and cycle through the beautiful West Niagara. These routes will be supported by volunteers. Riders will receive a meal from Rosalie's Catering after their rides.

The participants range in age from 16 to 75 years of

age and come from across Niagara as well as the Golden Horseshoe and Greater Toronto Area.

Pedal 100 magazine joined forces with the Niagara office of the Heart and Stroke Foundation in 1999 to create this annual fundraising event to fight heart disease and stroke. In the last ten years Pedal 100 for Heart and Stroke has raised an incredible \$294,000.

■ **BANDSHELL:** Thursday Night Concerts

Dave Murphy Band plays Aug. 19

For PelhamNEWS

Keyboardist Dave Murphy played all over Canada and the world with a variety of artists, including a five year apprenticeship with rock legend "Ironing" Ronnie Hawkins.

However, he formed his own band in order to finally play the music closest to his heart: rock, pop, blues, roots, funk and soul.

After a few hastily arranged performances at some local pubs, the band got it's real start on Sunday, April 25, 1983, at the Chick'n'Dell.

He took a recommendation by Toronto guitarist Danny Marks. Eventually The Dave Murphy Band was performing to a packed house on a weekly basis at the popular Toronto club, and gradually all over Ontario.

More than 200 shows a year quickly earned the band a reputation as a talented, versatile and hardest working act.

While Murphy has always

Supplied Photo
Dave Murphy Band will play at the Fonthill Bandsell in Pelham Peace Park on Thursday Aug. 19. It plays a mix of rock, roots, soul and blues.

been respected as a formidable pianist and musician, these early years of the band saw him mature into a compelling singer and frontman.

The band's popularity was no doubt due to the fabulous talents of various musicians Murphy had the good fortune to surround himself with. And the good humour of the band meant that shows were not only musically captivating, but a lot of fun as well.

It has released two CDs. The first album entitled Waiting for Dave and the second Mysterious Juice.

They have opened for numerous acts including The Bare Naked Ladies and James Brown.

Murphy and guitarist Dan Noordermeer spent many years recording and touring as members of the award winning Jeff Healey Blues Band.

These days, more than 3,000 shows later, the band continues to perform their incredible variety of songs with undiminished passion and enthusiasm.

Although more popular and busier than ever, these guys still love to play, and it shows.

■ **DRIVING:** Went into effect Aug. 1

New law aims for drivers 21 and under

COREY LAROCQUE
QMI Agency

A roadside spot check early Sunday morning in Port Colborne, where crowds were celebrating the Canal Days summer festival, was the first occasion Niagara Regional Police had to enforce a new, higher standard for young drivers.

New provincial rules requiring drivers who are 21 or younger to have no alcohol in their bloodstream kicked in at 12:01 a.m., Sunday, but police reported no infractions of the new law.

Niagara's police set up a routine ride check on Elm Street at 10 p.m., Saturday night to look for drivers of any age who had more than the legal amount of alcohol for driving.

But at midnight they started enforcing the new provincial law penalizing younger drivers for having any alcohol at all.

"Our main goal is still impaired drivers," said Sgt. CHB Priest, of the traffic services unit.

But when the new rules came into effect Sunday, it meant police had to enforce a law that says young drivers can't have any alcohol at all. Drivers with a G1 or G2 permit are already banned from having alcohol in their system when they drive. The new rule extends that requirement to drivers who have a full, general licence, but who aren't yet 22.

"If we catch a young driver we'll deal with them appropriately," he said.

Under the new rules passed by Ontario's Liberal government, police can suspend for 24 hours the licence of a novice driver who is caught driving after having consumed any alcohol. They're issued a \$110 fine. If they're convicted, they are subject to a further 30-day licence suspension.

It's one of the toughest aspects of the new rules that some drivers might not be aware of yet, Priest said. In Niagara Falls, the change gets mixed reaction from the affected age group, according to a group at the MacBain Community Centre.

"I think it's a good law because there's a lot of underage drinkers who are driving and killing kids and stuff," said Alysha Seip, a 20-year-old mother.

It's fair to treat young drivers differently from older ones because the under-22 crowd doesn't have as much experience driving and because they're younger, they're less likely to understand the consequences of their actions, she said.

"They're not as responsible to have their licence at those ages," she said, adding older adults would behave more responsibly. But 15-year-old Zach Baker said he's disappointed the rule changed before he started driving. He objects to the double standard.

"Everybody drinks, whether you're 21 or whether you're 50. It doesn't make sense to target young people," Baker said.

Holding younger drivers to a tougher standard wasn't an arbitrary decision, Priest said.

"They did do their research. The vast majority of serious MVC that involve alcohol are committed by drivers under the age of 22. That's why the government has targeted that group." Drivers between the ages of 19 and 21 are one and a half times as likely as older drivers to be involved in drinking and driving fatal crashes, Ontario press release issued Saturday states.

In Ontario 235 drivers ages 21 and under were killed in drinking- and driving collisions in the past 10 years.

Of the ages of 19 and 21 are most at risk and we are doing what we can to keep them safe," Ontario Transportation Minister Kathleen Wynne said.

In 2009, Ontario also brought in penalties for drivers whose blood alcohol is over 0.05 milligrams in 100 millilitres of blood, but who are still under the 0.08 permitted by the Criminal Code of Canada. Drivers in that "warn range" can lose their licence on the spot for between three, seven or 30 days.

■ SOFTBALL

Lodde can't nail a win

For PelhamNEWS

On Aug. 4, Herb Lodde & Son's Roofing played Lampman's Furniture at Centennial park in Fenwick for the Junior division of the Fenwick Softball Association. At the top of the fourth inning Lodde was ahead by two runs but Lampman's secured the win by scoring three runs to win the game 13-12.

In the first inning, Ethan Guitard caught a fly ball hit by Darren Sojka and Myles Stolk tagged out Emmerson Second at first for two of Lodde's outs.

Andrew Guitard was thrown out at home plate by Braidon Leney and Jenna Veerman of Lampman's in the second inning.

Carson Stolk of Lodde's caught a fly ball hit by Michael Dykstra. Taryn Petrovsky and

William Guitard teamed up to get Spencer Kieniewski out at third base in the third inning.

Ryan Dykstra caught a fly ball hit by William Guitard in the fourth inning for Lampman's. Lodde Stats: William Guitard (home run), Daniel Guitard (single), Myles Stolk (single, double), Ethan Guitard (single, triple).

Lampman's Stats: Darren Sojka (single), Kaitlyn Beez (home run), Ryan Dykstra (two doubles), Jenna Veerman (double), Lauren Mancino (triple), Zachary

Free (single, home run), Spencer Kieniewski (single), Braidon Leney (double).

On Aug. 5, Lodde played Gilbert's Flowers under the lights in a late game at Centennial park.

Second inning action included the tag team of Ethan and William Guitard throwing out Julia TerHarmel at home.

Coressa Beeke caught a fly ball hit by Ethan Guitard and Aiden Belding got Fallon Lodde out at first base.

Third inning saw William

Guitard tag Matthew Robins out at second and Carson Stolk tagged out Maria TerHarmel at third.

Carson Stolk and Tommy Carson of Lodde were both beaten to first base by Coressa Beeke.

Fourth inning had Taryn Petrovsky touch first base to get Graham Cullig out, Maria TerHarmel returned the favour to Myles Stolk and Coressa Beeke threw out Taryn Petrovsky at home. Gilberts took the game 17-6.

Lodde stats: William

Guitard (single), Daniel Guitard (single), Myles Stolk (two singles), Ethan Guitard (single), Taryn Petrovsky (two singles).

Gilbert Stats: Dederieke Vanderkerk (double), Coressa Beeke (homerun, single), Aiden Belding (single, three triples), Thomas Dam (single, triple), Julia TerHarmel (three singles), Owen DeBruin (two singles), Matthew Robins (single), Maria TerHarmel (single).

FROM PAGE A12

In back to back games Lodde once again played Gilbert's which was Lodde's third game in as many nights.

First inning action saw Maria TerHarmsel beat Ethan Guitard to first base and Corresse Beeke caught a fly ball hit by Ryley Vahrmeyer.

In the third Carson Stolk caught a fly ball hit by Dederieke Vanderkerk. Carson Stolk also caught a ball thrown by William Guitard to get Graham Cullig out at third base.

In the fourth, Taryn

Petrovsky beat Owen Debruin to first base for an out and Gilbert's threw out Andrew Guitard while trying

to steal home. Gilberts prevailed 13-9. Lodde Stats: Daniel Guitard (single), Myles Stolk

(three singles), Ethan Guitard (two singles), Carson Stolk (two singles), Tommy Carson, Taryn Petrovsky (single).

Gilberts stats: Maria TerHarmsel (single), Owen Debruin (two singles), Julia TerHarmsel (single, double),

Aiden Belding (homerun), Corresse Beeke (double, homerun), Dederieke Vanderkerk (single).

DENTURE CENTRE

SOFT LINER

Q. Recently I have noticed that my dentures have become loose and uncomfortable. What can I do?

A. If you have been feeling pain in your gums for sometime and wearing a denture hurts even though it has been meticulously adjusted, or if your denture is becoming increasingly loose and is uncomfortable, it's time for a visit to see your dentist. Fortunately, there is an answer to solve these problems. I recommend a soft liner.

Q. What is a soft liner?

The permanent soft liner is a layer of soft material that is fitted to the surface of your denture and rests next to the oral tissues. The soft liner acts as a cushion or shock absorber between the hard plastic of the denture and the gum area. The soft base will not halt the resorption of your gum, whose shape and thickness are constantly changing, and the reason for your denture getting looser, but it will ensure that your denture provides continued comfort as time goes by.

Q. What are the advantages of a soft liner?

To name just a few reasons: • Great comfort. • With soft liners, many denture wearers report that they can chew food more comfortably and effectively.

• This will extend the health of your gum as well as ensure maximum adhesion.

Q. Is a soft liner right for me?

Permanent soft liner provide comfort and relief for individuals with:

• Severely resorbed or flat gums that do no tolerate the stress of dentures • Chronic soreness

Things to think about with soft liners...

Soft liners requires regular follow-up visits with a Denturist to examine the fit of dentures, the health of your oral tissue, and to ensure proper oral hygiene and cleaning of the soft tissue lining.

■ **BASEBALL:** Championship day on Aug. 29

Future Stars star on the field

For PelhamNEWS

The Future Stars Photography Pelham Mosquito Bears were at it again on Monday, July 26, against Welland.

Both teams executed great defensive plays and offensive prowess. Captain Noah Hulsman went 3-for-4 while battling out of the number two slot.

His RBI triple in the first was a solid wallop. He backed up his ferocious plate performance with a commanding field presence. Ryan Bellantino went 4-for-4 batting in the lead off position. His game opening triple set the Welland Reds on their heels.

Ryan produced 3 RBI's with his precision hitting.

The Bears really broke out of their singles routine backing Ryan and Noah's backs with multi buggers credited to Grace Furlong, Christian Harford, Shaela Prado, each with a double, and Ayrton Ashick with two doubles.

Defensively the infield really began to gel with play making on the bases.

James Field was outstanding again in Centre Field, getting the ball in and backing up the second baseman, in addition to helping the other two Outfielders. In the end, the Reds prevailed 15-11 through five and a half innings.

The TimBits T-Ball Orange Jaguars played a great game this week, with Quinn Bendis being an all-star pitcher, and charging the ball every time it was hit. Tiana Stukel had some great stops at first base, trying very hard to get the out.

A fantastic home run was hit by Konner Little, as friends looked on. Excellent hits also by Aaliyah Alfieri and Brooklyn Stukel. Excellent plays were made by Matthew Jinks as pitcher in the last inning to stop the ball and make the throws to first.

The T-Ball Blue Jays are stepping it up, with all the players doing much better at fielding and throwing to the bases. Their bats continue to get more powerful. With Garret Robertson hitting a triple, the scouts just may be calling him up. On the Field Lauren

Mista had a hot glove, as she made some fantastic catches and amazing outs. William Hamilton continues to show he is strong at all the fielding positions.

The Star Tile Centre Midget baseball team started off their playoff round with a convincing 8-2 win over St. Catharines, with James Loewen scoring three runs, and Mitchell Deba and Dan DeJonge scoring 2 each.

Donald MacArthur, after being hit by a pitch, proceeded to steal all three bases to add the final Pelham run. Evan Elliott returned from a mid-season injury with two singles in the game.

As we head towards our Championship Day on Aug. 29 at Harold Black Park, the PMRA would like to extend their thanks for the support of all of our local sponsors, including: Fonthill Paint and Decorating, Giant Tiger, M&M Meat Shops, Meridian Credit Union, Miller Restoration, Mossini's Pizzeria, My Place Bar and Grill, Shopper's Drug Mart, Star Tile Centre, and Zee Lube.

■ **SOCCER:** U10 Boys rolling

U10 Boys down Niagara Falls 7-1

For PelhamNEWS

On a wonderful summer night, this past Friday evening, the DeGobbo Law U10 Boys proved to be very inhospitable hosts for the Niagara Falls Red team.

The Panthers defeated Niagara Falls 7-1.

Liam Gaudet played another spectacular game in goal.

David DeGobbo lead the way with 4 goals mainly scored off of rebounds from the blistering shots of Joey Loscavo, which the Niagara Falls goalie could not handle.

Charlie Devries blasted in 2 goals both set up by some nifty passes made by Zachary Smith.

The crowd erupted with joy as normal stalwart defender Thomas Citrigno took a rare shift on forward and poked in a beautiful shot to the bottom corner of the net, for his first goal as a Panther.

The goal was followed by an acrobatic celebration, which sent the crowd into an extended standing ovation.

Liam Milan and Rowan McEldan made some great passes throughout the game and constantly pressured the

Niagara Falls team.

The defensive core of Brock Deba, Josh Lenon, Mitchell Frick, Connor Howe, Jacob DiRaddo, and Thomas Citrigno all played an especially physical game with some very hard tackles and great challenges on the ball.

The U10 Boys continue to get ready for the playoffs, as they push their regular season record to 5 wins, 3 losses and 1 tie in Niagara Youth Soccer League play. The next several games will be games of revenge against Thorold and Port Colborne.

Supplied Photo
Liam Guadet guards the net while Josh Lenon clears the ball.

Welcome to discount done right.

Here, discount doesn't mean bottom of the barrel.

We do things a little differently. Okay, a lot differently.

Unlike most discount grocery stores, FreshCo wants you to have it all. Fresh, fabulous produce, fresh bread daily, a wide selection of cheese, and better cuts of meats together with low, low prices on all of your grocery needs. How do we do it? Simple. We buy direct in large volume, from local producers whenever possible. And when we buy big, you save big.

Fresher. Cheaper.

We believe discount shoppers deserve better. Here are a few things you can expect from us:

● Produce: We don't sacrifice the quality of our fruits and vegetables just because we sell them for less.

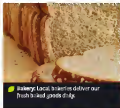

● Meats: We offer better cuts, like premium tri-tip, pork, and chicken.

● Seafood: We provide an everyday selection of wild and frozen seafood.

● Cheese: We offer over 350 varieties of cheese, including local and imported brands.

● Bakery: Local bakers deliver our fresh baked goods daily.

● Cheaper: We buy big so you save big.

Bring this coupon into one of our new FreshCo stores and get a free FreshCo shopping bag when you spend \$25 or more*.

Coupon expires:
August 19, 2010

*Minimum \$25 purchase before taxes and excluding purchases of gift cards, lottery, tobacco, alcohol or prescription medications. Coupon valid at FreshCo stores in Welland, St. Catharines, Brantford, Hamilton, Burlington or Oakville only. Sorry, coupon not valid at Mississauga or Brampton locations. Limit one coupon and one free FreshCo bag per customer. Coupon must be presented at the time of purchase. Taxes are included in the face value of the coupon. Reproductions are not accepted.
